Background: You have done all your homework! You have evaluated places to live, you love the location, you have your own parking spot, you get to live with your friends, you have done a value analysis, you have your independence and you like that you will not have to leave campus during any school breaks. Your application has been approved and now you want to sign a lease to live in North Village Condos. To assure housing please follow the steps detailed below!

STEPS TO SIGNING THE LEASE

- A. Since we require parents to co-sign the lease for their student it is probably easiest to have the parents start with the original copy. To do this parents should go to our website (www.uritownhouses.com) to download the lease and print it. The lease is located on the "Rent a Condo" page. When printing you may need to adjust your printer's margins to make sure all the info on each page is printed. The bottom of each page has a footer for all people to initial. There should also be Page x of y next to the initial blocks. If you have that information you are all set...print the document.
- B. Start filling out sections in the lease.
 1. Page one paragraph B: Unit number ____ leave blank for now, we will fill this in with your student.
 2. Page one Section I: Condo # ____ leave blank for now, we will fill this in with your student.
 3. Page two Section III: Lessee: Leave blank, we will fill this in with your student.

 5. Page two Section V: Occupant Listing: Leave Blank we will fill this in with your student.
 6. Page three: Paragraph one: condo # ____ and from ____ through ____ leave blank for now. Rent will be \$ ____; please fill this in based on how many students are living in the unit...for academic year rentals it is \$11,250 for 3 people or \$9750 for 4 people. For summer rentals it is \$1650 for 3 people or \$1350 for 4 people.
 7. Page three: Enter the payment per installment. For academic year rentals it is \$3750 for 3 people or \$3250 for 4 people. For summer rentals it is \$825 for 3 people or \$675 for 4 people.
 8. Page three: Security Deposit: Please enter \$1000 for academic year rental or \$750 for summer rental.
 9. Please read all pages and initial at the bottom of each page next to "Co-Sign," there is no need to initial in the main body of the text as this is for your student to initial.
 10. Please read pages 9 and 10 detailing "Move Out Charges" and "Wear and Tear," then initial at the bottom.
 11. Please **co-sign** lease on page 8 in the presence of a notary public. Parent signature only for the notary public.
 12. Send signed lease and security deposit and first payment to your child, **please make check payable to Fortin Place, LLC.**
 13. Once all leases have been received by all students in their group we will meet with them to review the lease, have them fill in all pertinent areas, initial and sign where required, we will sign also.
 14. The unit is officially leased for the defined rental period!!! All done!!!!
 15. We will email copies of signed documents which will be sent to parents for safe keeping.
